

# Summer Village of Sunrise Beach

December 2016 Newsletter

## Message from the Mayor

Well it's hard to believe that another year is coming to an end! This also brings us close to the end of our term on Council.

2017 is an election year for our Municipality and I encourage anyone that is interested in running for Council to come out to our meetings to familiarize yourself with ongoing proceedings within your Municipality. Council Meeting dates are posted on our website and the two signs in the Village. A special thank you to Marion and Brenda for keeping the signs up to date. Our new residential signs have been installed throughout the village. These signs will aid in Emergency Vehicles locating your property in a timely and efficient matter. Your council's decision to move forward with this project was a result of Provincial Emergency Management Meetings and our Fire Smart Program. In collaboration with the Summer Village of Sandy Beach, we will continue to implement the development of our Fire Smart Program next year. It's great to see some of our residents participate in our easy and affordable snow removal offer to have their driveways cleared when our Public Works is clearing the roads in the Village. If you need more information on this please check it out on our website or contact the Village office. On behalf of your Council and Administration, I would like to wish everyone a safe and happy holiday season.

Mayor, Glen Usselman

Thanks,  
Glen Usselman  
Mayor
