RESIDENT SNOW REMOVAL REQUEST

The Summer Village of Sunrise Beach provides a residential snow removal service which will operate from the months of October to March/April. This service would be provided only when Public Works is in the Village clearing the roads and will not be offered on an on call basis. It would be your responsibility as a home owner to keep your yard clear of plant pots, toys, garden items rocks etc. that could be easily hidden by a big snow fall that might get damaged or damage the Villages equipment.

The cost of this service will be categorized into three different prices depending on your lot size, as determined by the Public Works Supervisor :

Small \$200.00/ season

Medium \$250.00/ season

Large \$300.00/ season

This service must be paid in advance at the Summer Village Administration Office on or before Oct 1st yearly.

There is no way of knowing how many times your driveway will be cleared in any given year. Money will not be refunded on years with low snow fall nor will the Summer Village charge extra for years with high snow fall.
