Message from the Mayor

What started out as a dry spring has ended in a green and lush summer. Our Summer Village is looking neat and tidy thanks to the hard work of our Public Works employees and also to our residents that help by keeping their yards well maintained and by keeping garbage off the public areas.

There are **two** important items in this Newsletter.

The **first** is our new residential signs that will be installed by Ray our Public Works. There is a sign for every residential lot and will aid in Emergency Vehicles locating your property in a timely and efficient matter. The signs are uniform in appearance and will be installed by Public Works. If you have an existing sign and it is placed in a visually effective location then the new sign will be placed there. Some of the signs will have to be placed on steel post.

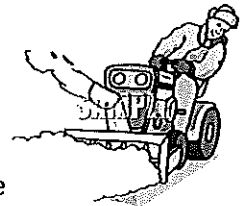

Here is an example of what to expect, they are blue in color with white letters, with the SV logo and name in the bottom right hand corner. Being 30cm x 20cm in size.

Please contact the office if you have any concerns on the location of the sign on your property and we will do what we can to accommodate. Council is looking for cooperation from you to expedite this project.

The **second** item is the Residential Snow Removal Request .

It has come to the attention of Council that there are some residents that do not have access to easy and affordable snow removal . The Summer Village would like to provide this service when Public Works is in the Village clearing the roads. Unfortunately it cannot be offered as on call service but as an addition to when the roads are being cleared. If you are interested in this service please complete the Resident Snow Removal Request included with this Newsletter and mail or drop it off the Administration Office before September 15, 2016. It will be determined what size of lot you have and payment will be due by October 1st.

Mayor, Glen Usselman

SUN & SAND RECREATION LEAGUE

Saturday, AUG 27th

DINNER & DANCE - Live Band, "MY DOG SAM"

Cash Bar - DOOR PRIZES

Door open @ 5:00pm Dinner @ 6:00pm

Wednesday, DEC 7th, 6:30pm

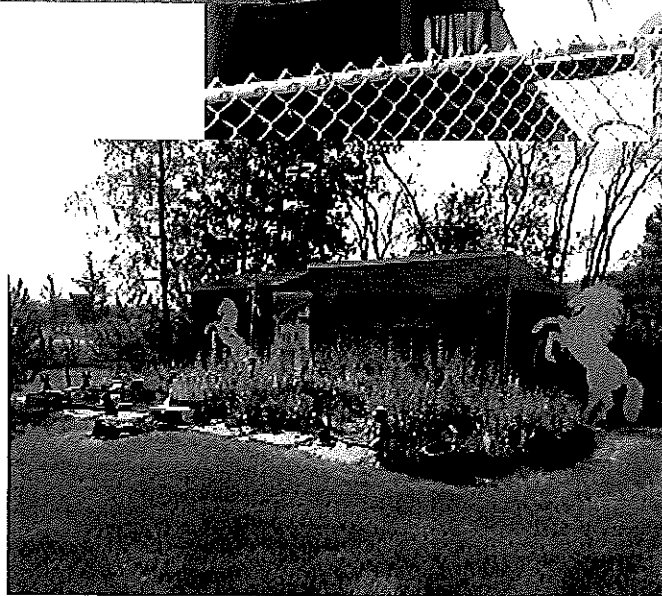

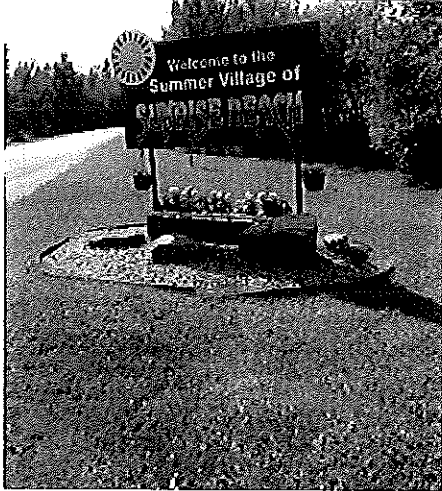

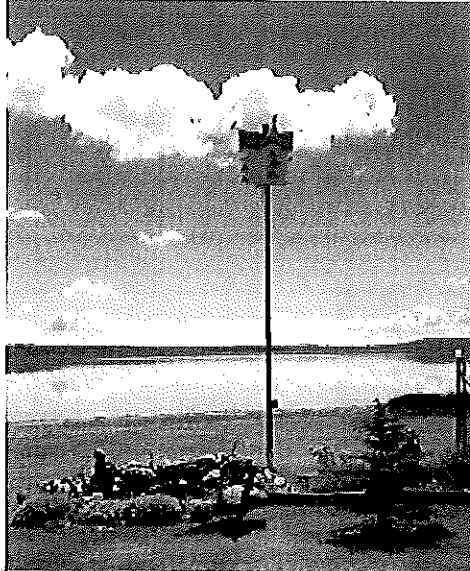

Sun & Sand Rec League Meeting

For info on any of these events, please contact **MARIAN @ 780.967.4027**

We would like to send a big **THANK YOU** out to Brenda Ely. Months ago she approached Council about recognizing resident's yards that looked great & to the people who have made the extra effort to help make the Summer Village look so beautiful. She has been busy snapping some pictures for us. The black & whites do not do these yards justice so please check out the website for the ones in color. Click on photo gallery, then to bouquets & birdhouses.

Also **Thank You** to Vic & Anne Sumyk for the beautiful flowers at the Summer Village entrance sign, they look awesome!

Please note: None of these pictures were taken without permission or they were taken from the road.

Summer Village Website

Contains the most recent approved minutes and the councils upcoming meeting agendas. Some Summer Village bylaws and fire ban information can also be found on the site....
