Message from the Mayor

On behalf of the Summer Village of Sunrise Beach Council and Administration , I would like to share some of the improvements within our Municipality. As of January/2017 our Administration Office and our Council Meeting are now in the Town of Onoway. Our meetings are still on the 4th Tuesday of the month at 6:30pm. The new address and contact information is on our website.

I encourage you to come to our Council Meetings to get more involved with your Summer Village. This is an Election Year for our Municipality. We need new candidates for this years election that will be held in August! All the information pertaining to the election is on our website. Mark the date on your calendar and come out to vote.

We are looking at completing the final phase of our road project for Victory Road and Shedden Drive this summer. We will post updates of this project on our website.

We will be replacing some of our mowers this spring with new ones so that our public works can continue to keep our Summer Village groomed and make it an enjoyable place to live.

Environment Canada is predicting a hotter than normal summer. I hope everyone gets outside to enjoy it.

Mayor
Glen Usselman

Lagoon Update

Due to several factors, including the fact the Sandy Beach/Sunrise Beach sewage lagoon is at or near capacity, the Summer Village of Sunrise Beach has entered into a one year agreement with the Town of Onoway to have Sunrise Beach's wastewater effluent hauled to the Onoway sewage lagoon. The disposal of wastewater effluent will be reviewed prior to reaching this one year timeline, and a decision moving forward will be made at that time.

Administration Office

The administration office moved as of January 1st of this year. We are now located at

4808 – 51 Street in the Town of Onoway. Our office is located at the Town of Onoway Civic Centre (Town office), at the south end of the building.

Council Meetings are held at the Onoway Civic Centre (Town Office), Council Chambers.
