RESPONSE TO COVID-19

To our valued patrons, we wish to inform you that as of March 17th, 2020 Lac Ste Anne East End Bus Society will be suspending all scheduled trips and excursions. This is a step we must take to ensure the safety of our patrons and employees of EEB.

We would also like to take the opportunity to thank all of our loyal patrons who have been supportive of our service and rest assured that we will be back and ready to implement our service when the threat of COVID-19 does not exist.
